

iDocScan Series

Flatbed Scanner With Automatic Document Feeder

High-speed Automatic Feeding

iDocScan series includes an automatic document feeder which allows to scan multi-page documents easily. S20 offers fast simplex scanning at 20 pages per minutes, whereas D25 and D50 offer one-pass duplex scanning 50 and 100 images per minutes Color & Grey, 200dpi, A4).

Smart Misfeed Detection

iDocScan D50 is integrated with an ultrasonic detection sensor which can detect misfeeds and paper jams before they occur. This paper protection makes sure one sheet of paper to feed at a time.

High Volume & Unattended

Businesses in the healthcare, transportation courts and government organizations that manage substantial quantities of paper will appreciate the functionalities of the iDocScan that allows them continuous and unattended multi-page scanning using the 60-page (A4, 70 g/m²) automatic document feeder. With Duty Cycle up to 3000 pages per day

Business Card Mass Scanning

Designed for office environments in mind; with the ability to feed and scan 20 business cards at a time to efficiently organize and manage your business cards and contacts.

Easy & Fast Flatbed Scanning

iDocScan series provides single page scanning by using the flatbed with an optical resolution of up to 1200 dpi making it easy to scan a bound book, magazine, manuscript, or any thick material at a speed of 4 seconds (300 dpi), 7.5 seconds (600 dpi), and 30 seconds (1200 dpi).

Long-sheet Scanning

Expand your scanning possibilities. iDocScan is able to scan paper lengths up to 128" (3251 mm) at 200 dpi, ideal for scanning continuous sheets and other long documents.

Easy One-touch Operations

iDocScan series includes direct access buttons for quick access via the Operation Panel to common functions such as Scan, PDF, and Panel setting.

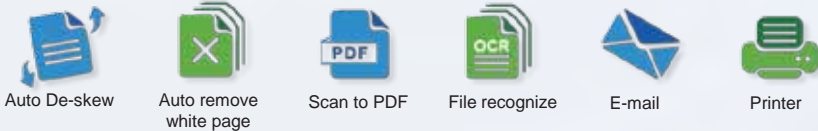

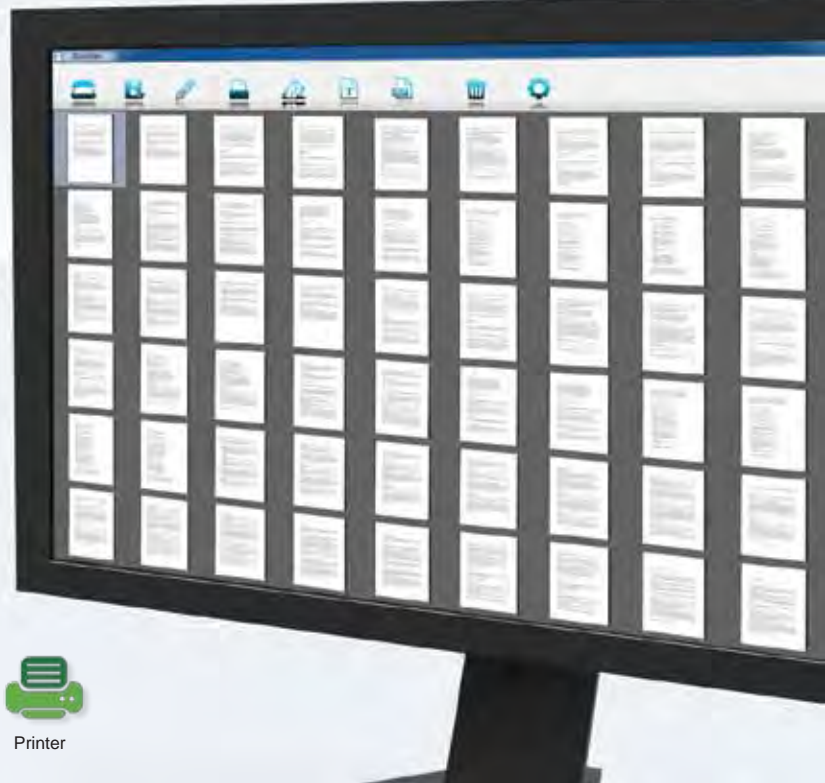

Thick Card Scanning

Automatic document feeder can handle single thick paper or card stock scanning up to 0.6mm

Powerful iDocScan Software

iDocScan comes bundled with its own software, which includes advanced features such as auto de-skew, auto white page removal, Scan to PDF, OCR, Email, Print, and more!

MODEL NAME	iDocScan D50	iDocScan D25	iDocScan S20
			
Scanner Type	Flatbed / Duplex		Flatbed / Simplex
Daily Duty Cycle	3000 sheets per day		1500 sheets per day
ADF Scan Speed 200 dpi (Color, Grayscale & Mono)	Simplex 50 ppm / Duplex 100 ipm	Simplex 25 ppm / Duplex 50 ipm	Simplex 20 ppm
Flatbed Scan speed	3 seconds at 150 dpi / 4 seconds 300 dpi / 7.5 seconds at 600 dpi & 30 seconds at 1200 dpi		
Optical Resolution	600dpi		
ADF Scan Area	Maximum W 216mm x L 356mm (W 8.5" x L 14") / Minimum W 50mm x L 90mm (W 2" x L 3.5")		
Long Page Scanning	Up to 635 mm (25 inch) long document		
ADF Capacity	60 pages at 80 g/m2 (20 lb), Max thickness: 6 mm (0.24")		
Flatbed Scan Area	Max. 215.9 x 302 mm (8.5" x 11.89")		
Flatbed Resolution	1200dpi		
Paper Weight	Plain Paper: 50-130 g/m2 (14 - 35 lb) / Card Stock: 0.3mm (Max. 20 cards)		
Paper Thickness	0.07mm - 0.16mm (Normal), 0.4mm (max)		
Multi-feed detection	Ultrasonic	N/A	
Bundled Software	Scanner Driver (TWAIN / WIA / iDocScan / Hotkey Utility / Calibration Utility), Optional ISIS Drivers ABBYY FineReader 9.0 / ArcSoft Media Impression II & Adobe Acrobat Reader 5.0		
Features in the Scanner	Auto-Crop, Auto-Deskew & Blank Page Removal Easy one-touch scanning to standard image or PDF Scan to various editable formats including searchable PDF with bundled software		
Compatibility	TWAIN Compliant (for Windows XP / Vista / 7 / 8 / 8.1) / WIA Compliant (for Windows 7 / 8 / 8.1 only)		
Dimension	L430 mm x W334 mm x D100 mm (L16.9" x W13.15" x D3.94")		
Weight	4.5 kgs (9.92lbs)		
Power Supply	12V/2A (Input : 100V ~ 240V, 50/60Hz)		
Operation Temperature	10 °C - 35 °C (59 °F - 95 °F)
